EDUCATIONAL PROGRAMS

X-3692 SPEED READING COURSE (\$24.50):

A set of programs on two cassettes to help readers of all ages improve their reading skills. Written by NSW primary school teacher Wayne Richmond, BA Dip Ed, the programs have been developed from the West Australian Reading Development Scheme. The four programs correspond to the first four levels of the WARDS course, but can be set for reading speeds as high as 0.1 seconds per line. Req. 16K, S1, S2.

X-3672 SUPER MAZE (\$24.50)

The maze game to end all maze games. It can generate mazes up to 100 x 100 elements - & it can take you many hours to find the way out! Cassette based, req 16K. T1, S1, S2.

X-3694 LEARNING FUN 1 SCURVE INVADERS (\$11.95)

A unique program that combines basic maths drill with the ever popular 'Space Invaders' game - practising maths has never been so much fun before being able to take each shot with a laser gun at one of the dreaded Scurves, the player has to feed in the 'correct data' to the spaceship computer. Tremendous fun yet at the same time very effective in developing proficiency in maths. Sound effects, three levels of difficulty; written by NSW primary school teacher Wayne Richmond, BA Dip. Ed. Req. S1, S2.

X-3696 LEARNING FUN 2 — HANGMAN/CONCENTRATION (\$11.95)

Two programs which are not only great to play, but also help to increase familiarity with words. Hangman is the computer version of the well known word guessing game - complete with animated graphics 'man' getting hung. The words can be chosen by either the program or a second player. Concentration is the computer version of the famous TV quiz game. Two players or teams have to match prizes behind numbers on the screen, then guess the mystery food word. Req. 16K. S1, S2.

X-3698 LEARNING FUN 3 — ALPHABET COUNTDOWN/RHYME TIME (\$11.95)

Written by NSW primary school teacher Wayne Richmond, BA Dip Ed. Alphabet Countdown is a real time game in which sets of words taken at random from a large group must be placed in alphabetical order, in the shortest possible time. It has three levels of difficulty. Rhyme Time displays a series of unfinished rhymes, and the player has to type in the missing word from clues given in the rhyme itself. There is no timing factor, but after each rhyme, the player's current percentage correct is displayed. Both require 16K, S1, S2.

X-3681 AIR TRAFFIC CONTROLLER (\$24.50)

If you've ever wondered why controllers are so highly paid, this will answer your questions. Your task is to safely manoeuvre 26 aircraft between the two airports and/or various points within your control 'area'. A time limit of 99 minutes is allowed for you to complete the task. The ability to 'plan ahead' could lead you into a new career. Cassette based. Req. S1, S2, T1.

You have to pick your way through the various levels of the base, overcome the Tollah & his cronies & escape with Delilah. The most impressive program in the 'Dunjonquest' series by Automated Simulations. Req. 16K. T1, S1, S2.

GAMES PROGRAMS

X-3675 INTERLUDE (\$29.95)

A game for adults only. How's your love life - getting a little dull? When the kids have gone to bed, run this program on your broad minded System 80 & it will come up with some imaginative idea for the rest of the evening... **Warning:** not a program for those who are offended by explicit descriptions of sexual behaviour. For sale to those over 18 years of age only. Req. 16K. T1, S1, S2.

X-3650 CRUSH, CRUMBLE AND CHOMP (\$29.95)

Ever wanted to be a huge marauding monster on the rampage, smashing bridges and buildings & creating havoc wherever you go! (Haven't we all!) Well, here's your chance - except that the National Guard will try to stop you from having it all your own way! This fast moving fun game provides excellent graphics and sound, lets you try out over 100 different scenarios. T1, S1, S2.

X-3641 TEMPLE OF ASPHAL (\$44.90)

This is the first of the Dunjonquest series & is one of the new breed of role playing games (RPG). 'Temple' offers you the chance to undertake heroic acts in a labyrinth filled with treasures, traps & monsters. You begin your adventure by bargaining with a tight-fisted inn keeper for the weaponry & armoury you'll need in the dunjon. There are two rooms, 80 treasures & countless monsters of all descriptions. We invite you to project yourself into the labyrinth. See and touch the treasures and smell the creatures that inhabit this place as you uncover the fantasy world of Asphai. Cassette based, with excellent documentation. T1, S1, S2.

X-3671 3D TIC TAC TOE (\$24.50)

The familiar 'naughts & crosses' game, expanded & made much more challenging. There are four grids on the screen, one behind the other. You play the computer - but watch out - it's shrewd! Cassette, needs 16K. T1, S1, S2.

X-3688 DEATH TRAP (\$11.95)

How's your co-ordination between eyes & hands? In this fast moving real-time graphics game you have to control the motion of a constantly moving point on the video screen & avoid randomly appearing 'mines' until an 'escape window' appears. You can't cross your own trail, or hit the sides of the screen either. If you escape, you get further tries - only it gets tougher! This one has sound effects & has proved very popular. Req. 16K. T1, S1, S2.

X-3664 POKER PETE (\$24.50)

Like to play a game of poker with Pete? He's a pretty shrewd player - hard to beat in fact, though it can be done. This program has some quite intriguing graphics. Req. 16K. S1, S2.

X-3687 ASYLUM (\$24.50)

The latest 'role playing game' in which you must get out of the asylum. You are placed in a padded cell & your job is to find a way out; many items to aid you can be found along the way & the use of ordinary commands will determine your ability to survive. Definitely NOT for those who have little patience. Cassette based. Req. 16K. S1, S2, T1.

X-3686 DEPTH CHARGE (\$24.50)

The latest version of the arcade favourite. Your mission is to destroy the enemy submarine pack. Good graphics and includes sound. Cassette based. Requires 16K. T1, S1, S2.

GAMES PROGRAMS

X-3679 GALACTIC EMPIRE (\$24.50)

Have you ever wanted to dominate the world or even the universe? Then this is for you. A sophisticated game of strategy & tactics. Your object is to unify the galaxy. Superb graphics & a detailed manual make this an excellent package. Cassette based. Req. 16K T1, S1, S2, T3.

X-3678 GALACTIC TRADER (\$24.50)

The second of this now famous trilogy. If military life is not your scene and if making deals and bartering is, then your game is trader. Your objective is to make a fortune by trading commodities throughout the Galaxy. Playing time is 20 minutes to 5 hours with 10 levels of difficulty. Cassette based. Req. 16K T1, S1, S2, T3.

X-3677 GALACTIC REVOLUTION (\$24.50)

Now with sound. The third of the trilogy. Diplomacy, social manipulation and Machiavellian ruthlessness must be combined to bring the major power blocs of the galaxy together to serve your ends as you lead the revolution (or suppress it). Cassette based. Req. 16K T1, T3, S1, S2.

X-3598 KILLER BEETLES (\$24.50)

Pit your skills against the killer beetles. You dig traps and when the beetle falls in you bury him. Problem is: they don't stay buried! Cassette based. Req. 16K S1, S2, T1.

X-3596 BATTLE STATION (\$24.50)

The aim of the game is to defend your space station against the four attacking alien space ships. Cassette based. Req. 16K S1, S2, T1.

X-3597 GHOST HUNTER (\$19.95)

The aim is to eat the energy dots in the maze before the ghost can get you. Random 'power pills' will assist you in chasing them. Cassette based. Req. 16K S1, S2, T1.

X-3691 LUNAR LANDER (\$24.50)

You are the commander of a Lunar Lander whose auto pilot has failed. It is your job to safely land the craft on the difficult terrain, while maintaining a watchful eye on your fuel load. Real time graphics & sound included to enhance the cassette based package. Requires 16K. Of course, once you have landed, the trick is to get out successfully again. T1, S1, S2, T3.

X-3599 SPACE SHOOT OUT (\$24.50)

A game for two players. Your aim is to fire your missiles through the meteorite belt to destroy the other ship. Cassette based. Req. 16K.

X-3693 GALAXY INVASION (\$24.50)

An upgraded version of the long time arcade favourite. Much improved with real time graphics & sound, the idea is to destroy the 'invaders' & to save Earth - but beware of the roving flagships. Cassette Based. Req. 16K T1, S1, S2, T3.

X-3695 COSMIC FIGHTER (\$24.50)

A new idea based on the ever popular Space Invader game. The difficulty in this version is that once you have destroyed all of the aliens, you have to do it all over again but this time, alien destruction requires two hits. If you make it through, you then have to hit them three times for destruction, which becomes exceedingly hard & fast. A mother ship provides refuelling and the menace of ever present flagships add to the excitement of this real time graphics and sound based package. Cassette based. Req. 16K T1, S1, S2, T3.

X-3697 METEOR MISSION II (\$24.50)

Your mission is to rescue the stranded astronauts from the planet below. You must guide your craft through the meteor belt to land, pick up & return the astronaut safely to the orbiting mother ship. Excellent graphics & sound are employed and to make life harder, as you rescue more astronauts, the more floating meteors appear. Cassette based. Req. 16K T1, S1, S2, T3.
